

PALCON 2026 @ TNU – PREACHING TRACK

The TNU More and Better Preachers Initiative is pleased to be a sponsor of PALCON 2026 at TNU. As part of our sponsorship, we are providing a special track of workshops in preaching which provides some great benefits to you, pastors. The theme of this Preaching Track is **“Preaching Holiness in an Unholy World.”** During PALCON, we will offer six workshops on preaching (see details below) and to be a track participant, each pastor must attend at least four of these workshops. We must limit the number of participants to 30, so registration will be on a first-come, first-served basis. Should you sign up for the preaching track and attend the 4 workshop sessions, you will receive the following:

- A Registration Discount Code, so that your total PALCON registration is only \$100.
- A Certificate of Completion from the TNU School of Theology and Christian Ministry.
- 7 books to add to your library (recommended by our workshop leaders)

Here is the list of our six preaching workshops and their presenters:

- **Not Missing the Forest for the Trees: Preaching Holiness from the (Full) Old Testament**, led by Dr. Tim Green, Professor of Old Testament, TNU
- **Preaching Holiness from the Graveyard: Great Sermons from Nazarene History**, led by Dr. Steven T. Hoskins, Professor of Church History, TNU
